[redacted]  
Executive Secretary

History Staff Bi-Weekly

STAT

Ken met with Robert Warner, Archivist of the United States, and others in a session at which agreement was reached on a list of distinguished historians to be consultants to the Historical Review Program. Those who have accepted an invitation to serve are John Lewis Gaddis, [redacted] and Gaddis Smith. A two-day briefing meeting with these historians has been scheduled for 18 and 19 March in the DDA Conference Room at Headquarters. John Broderick, the Assistant Librarian for Research Services, will represent the Librarian of Congress at the meeting. Warner currently is expected to attend. Harry Fitzwater has suggested that the DCI host a luncheon for the participants on 18 March.

STAT

Ken lectured on "Mahan and Naval Strategy" at a National War College seminar.

He received a request from the Deputy Historian at the Department of State for help in locating published statements by the DCI and other senior CIA managers that might be appropriate for inclusion in States' annual edition of American Foreign Policy: Current Documents. Ken has talked with [redacted] PA, about this, and will also consult with Charles Briggs, LL.

STAT

One of the candidates we selected for our historians' jobs, [redacted] has dropped out. He has been replaced by [redacted] who has submitted his application papers.

STAT

STAT

STAT

[redacted] prepared a 4-page set of briefing notes on "How We've Done It" covering collection and analytical techniques decade by decade. This was done for [redacted] Office of Comptroller, who is putting together a briefing for [redacted] to give to our Congressional Committees.

STAT

STAT

STAT

[redacted] also checked some biographical references for CRD and arranged to have a copy of our draft history on Air America prepared for [redacted] use in connection with an FOIA review.

Diane will be attending a 2-day course at OTE next week on "Getting Ideas Across." She processed a batch of documents from the LBJ Library for a requester at the Center for Military History. These documents have been sent to the issuing components for review.

[ ] spent much of this week dealing with a series of Wang technicians trying to get our two printers to operate properly.
